Ascential plc appoints three non-executive directors to the Board

Ascential plc, an international business-to-business media company, today announces that it has appointed three additional non-executive directors to its board. Paul Harrison joins the Board as independent non-executive director and chair of the audit committee, Gillian Kent joins as independent non-executive director and Judy Vezmar joins as independent non-executive director and chair of the remuneration committee.

The non-executive directors will bring their experience and expertise to the Board, which is led by Scott Forbes, independent chairman.
